pores, acne, or dull, dehydrated skin.*

SURGICAL
Transformation

Let's rewind 🕒

A few months after I performed a facelift, necklift and fat transfer for my lovely patient, she is looking and feeling YEARS younger-like she used to!

Notice her glowy skin, too 😊

We added medical grade skincare curated by our Aesthetician, Kelly and the regenerative effects from her fat transfer 🏆 This combo has an amazing effect on skin quality 🙌

We all love this natural looking change! 😍
